Western North Carolina Hospice and Palliative Care Services by County

WESTERN NETWORK
ALLIANCE
Access Care & Community Care of WNC

Organizations with an outpatient palliative care program are italicized. Services offered are subject to change and will vary based on location. Agencies listed in one county often serve surrounding counties and may have a main referral line covering multiple counties. For more information or to provide updates, contact Joseph Jones at 348-2839. When sending a referral, most Hospice and Palliative Care providers request basic demographic information, notes from the last 2-3 office visits, and a physician's signed order.
